

Of Time, 20/9/03

Combe Mill Society Ltd.

Combe Mill Society Ltd., the organisation which has run the Combe Mill Beam engine and its associated machinery, at Blenheim Estate Saw Mills, hereby give notice that the last steaming and open occasion to the public will be on Sunday 19th October 2003. Thereafter the artefacts on display will be disposed of to like-minded bodies or as may be appropriate.

If you or your predecessors have loaned or given artefacts to Combe Mill Society and you or another on your behalf would wish to repossess those artefacts, would you please make your intentions known to the Company Secretary at the address below not later than noon on Monday 20th October 2003

Failure to take action by this date and time may result in the artefacts being handed on to another like-minded body or otherwise disposed of and not able to be recovered.

RICHARD BROWN
